BACK PANEL 1 -

**L.A. METRO TASK FORCE
ON HUMAN TRAFFICKING**

FRONT INSIDE

Indicators of Human Trafficking include:

- **Live on or near the work place**
- **Restricted/controlled communication or transportation**
- **Large number of occupants for living space**
- **Injuries from beatings**
- **Signs of torture (i.e. cigarette burns, branding)**
- **Signs of malnourishment**
- **Self contained “camps”**
- **Bouncer or guards at work and/or living locations**

BACK INSIDE

These questions may help you identify a trafficking victim:

- **Are you forced to work against your will?**
- **Are you free to leave your workplace by yourself?**
- **Does your boss threaten to harm you or your family?**
- **Did your boss take away your ID/passport?**
- **Can you contact friends and family freely?**
- **Did your recruiter lie to you about your job and/or salary?**
- **Do you unexpectedly owe them a large sum of money for your trip to the U.S.?**
